In this grand journey of rebirth and growth,  
 I weave my tale of lessons and loath,  
 For I have learned to recognize my own weighted scales,  
 The unconscious biases that cloud my expert-ridden  
 trails.

Aha! I think I know it all, the mysteries unveiled,  
 But life sneaks a surprise, like a tempest we're assailed,  
 Who dares step forth, an expert on death's shadowy  
 door?

No master, no sage, no one can hold that wisdom's core.  
 I sail through this realm, this vast world of regeneration,  
 Acknowledging the truth that none holds the ultimate  
 equation,

For what flourishes in one haven may languish in  
 another,  
 Our "whole world" claim, a fragment borne within our  
 own druther.

So, let us wander onward, for we've stories yet to tell,  
 Emerging from a system, living or dead, we share this  
 mortal spell.

Together, we seek to learn, to discover the unknown,  
 For in the end, one truth prevails: our journey's never  
 flown alone.

*-Clement Matorwmasen*

En este gran viaje de renacimiento y crecimiento,  
 Tejo mi relato de lecciones y aversión,  
 Porque he aprendido a reconocer mis propias escalas  
 ponderadas,  
 Los sesgos inconscientes que nublan mis senderos  
 llenos de experiencia.

¡Ajá! Creo que lo sé todo, los misterios desvelados,  
 Pero la vida nos sorprende, como asaltados por una  
 tormenta,

¿Quién se atreve a dar un paso, un experto en la  
 sombría puerta de la muerte?

Ningún maestro, ningún sabio, nadie puede poseer el  
 núcleo de esa sabiduría.

Navego por este reino, este vasto mundo de  
 regeneración,  
 Reconociendo la verdad de que nadie posee la  
 ecuación última,

Porque lo que florece en un refugio puede languidecer  
 en otro,

Nuestra afirmación de "mundo entero", un fragmento  
 nacido dentro de nuestra propia elección.

Así que sigamos adelante, pues aún tenemos historias  
 por contar,

Surgiendo de un sistema, ya sea vivo o muerto,  
 compartimos este hechizo mortal.

Juntos, buscamos aprender, descubrir lo desconocido,  
 Porque al final, una verdad prevalece: nuestro viaje  
 nunca ha volado solo.

*-Clement Matorwmasen*

In the enchanting verses of “Rebirth,” penned by the poetic soul Clement Matorwmasen, we embark on a profound journey through the intricate tapestry of life. This lyrical voyage invites us to explore the depths of self-discovery and the subtle intricacies of growth. Through the poet’s keen insight, we are guided to confront our own biases and the hubris of expertise, finding solace in the enduring mystery of existence.

As we navigate this vast realm of regeneration, we come to realize that no one holds the ultimate key to life’s enigmatic door. Each line of this poetic tapestry paints a

picture of our collective human experience, reminding us that what thrives in one corner of the world may wither in another, and that our understanding of the universe is but a fragment of its boundless whole.

With every verse, we are beckoned to wander onward, to explore the uncharted territories of wisdom and wonder. In unity, we seek to learn and discover, for it is in this shared journey that we find the beauty of our existence. In the end, “Rebirth” whispers to us that no matter how solitary our paths may seem, we are never truly alone in our quest for understanding and growth.

Ghanaian entrepreneur with a dream of making the world a better place. With over two decades of experience in empowering rural communities, he’s the founder of various startups and foundations like Dream Village, Green Gold Social Enterprise, Dream Works Ghana, and Cletek Services. Clement’s mission revolves around regenerative agriculture, safe water access, informal education, skills development, and building regenerative communities in Africa. His commitment to finding creative, indigenous solutions has the potential to change lives for the better.
